

The Only Solution is Aggressive Communication

### Description

# ISIS Gay Sex Training

The only response to a problem is aggressive communication. ISIS [gay sex training](#) can effectively release repressed homosexual emotions in Middle Eastern and Far Western Men. Most Islamic men lack the proper gay sex training to properly express

ethnic men require  
cess their feelings.

African

## Ministerial Homosexual Diversity Training

Many black pastors and preachers require homosexual diversity training. Last night my African boyfriend called my cell phone really late and woke me up. I gave him a silent ring and text tone. My own advice to other people is: You are who you are with. So if I

am getting my skinny brown ass fucked by an inconsiderate niggah, what does that say about me? It says in gro. I am a negro if I hang out v

### Sex and Style

Gay fashion in Islamic cultures must follow strict religious guidelines. As a byproduct of the burka there is an increase in Islamic LGBT mullahs and religious leaders. Homosexuality is being used as a recruiting tool by ISIS and other radical organizations. In Egypt and Syria there should be IS.

### Influencing the ISIS

### Brand Name

Mass multimedia propaganda can be utilized to counter influence the gay sex training tactics of ISIS. The purpose of this article is to use to transmute the sexual energy of ~~ISIS into promoting gay sex training materials. The purpose of this blog is to embody~~

libertarian militancy by shifting the energy to the solution mind set. The only way out of a problem is to go all the way through it and fight fire with water. Dilute the ISIS mind set by shock their brains open using the same psychological operations that they do. Reverse engineer with love.
